

CAPABILITY STATEMENT

Overview of OASIS+

OASIS+ is a Best-in-Class (BIC), multi-award IDIQ contract vehicle supporting federal agencies' non-IT professional services needs. Designed for innovation and flexibility, OASIS+ provides access to qualified contractors like Antean Technology through an efficient, streamlined acquisition process via GSA eBuy.

Contract Types

OASIS+ allows for all contract types at the task order level (e.g., Fixed-Price (FFP), Cost-Reimbursement, Time-and-Materials (T&M), and Labor-Hour (LH). Task orders may also combine more than one contract type and include incentives, performance-based measures, multi-year or option periods, and commercial or non-commercial items.

Key Features:

- 10-year period (5-year base + one 5-year option period)
- No ceiling or cap on awards
- No protests under \$10M
- Fixed Contract Access Fee (CAF) of 0.15%
- Highly qualified industrial base/GSA-certified and validated vendors
- Assisted acquisition services to customers
- Centralized Portal for Task Order Solicitation – GSA eBuy
